

Welcome to Poole Farm CL

We hope you enjoy your stay!

About our site

Nestled right on the banks of the river Tamar, Poole Farm is right on the border of Devon and Cornwall. An oasis of tranquillity, with only the birds, sheep and otters for company. You will be sure of peace and quiet in a very attractive rural location.

We have 5 Fully Serviced hardstanding pitches, all with their own electricity, water and grey waste. A small but perfectly formed shower room and separate toilet, nick-named “the hut”, is there for your convenience (no pun intended). The Wishy Washy hut has dish washing & laundry facilities as well as a small shop & book swap. We offer our guests luxury, complimentary toiletries in the hut. Cleaning takes place at about 12 noon.

Our dog walk is not just there for our canine visitors – the swinging seat is there for all to use. A perfect place to admire the vistas and the surrounding countryside, or to watch the sun go down on warm, balmy evenings. Sit early in the morning and you may see the otters playing in the stream. We also have resident kingfishers.

Please take care when walking around the site, some of the grassed areas are uneven due to rabbits and the general terrain.

In case of fire, please assemble in front of the house near the barn

The WiFi network is available upon request. Please ask for the details

Pitches

Please pitch your outfit straight, not diagonal and where possible, please site your awning over the hardstanding area of your pitch.

Barbecues are allowed on site but open fires are not. Please keep barbecues off of the grass. Please ask where to dispose your charcoal.

If you have problems obtaining a good TV reception, please ask for our help. We have a digital receiver direction finder on site.

Water and some use of electricity per day are included in your pitch fees, however, please help us minimise our effect on the environment by considering your usage while on site.
